

MGC, THE COMPANY THAT DELIVERS.

THE MGC DIFFERENCE

CONTROL

MGC maintains your packages under our control from pick-up to delivery. Hand sorting and no passing from IC to IC gives you and your customers better protection.

COST

We are able to offer small and mid-size shippers the competitive rates that large shippers receive.

COMPANY-OWNED

Our fleet of 80+ vehicles are all company-owned and maintained. Back-up vehicles are always on hand to ensure your service is never interrupted.

COMMITMENT

Your customers are our customers. We commit to providing you both with the highest level of service possible.
